

TERMS AND CONDITIONS - Pollaughan Dogs Policy

We have a no dogs policy here except guide and hearing dogs, however we do understand that dogs are very much part of a family and just occasionally make exceptions to visitors we know, in exceptional circumstances, as long as the following rules are signed as agreed. Failure to adhere to these will result in curtailment of the holiday and no monies will be refunded. We MUST know in advance that a dog is coming and this form must be signed by you in advance.

We charge £25/wk or £40/fortnight for a dog to cover extra cleaning costs and as a precaution to cover ourselves a damage deposit of £100 which we take off your card when the balance is due but no later than one week before the holiday .We will return this within 7 days of the end of your stay provided we are satisfied that there is no evidence of a dog having been in the cottage/garden the cottage at the end of your stay.

Dogs must be Wormed, Vaccinated and Frontlined against fleas. We will need to see the vaccination cert. Puppies under 18 months are a definite no and cannot be accepted under any circumstances .Same with incontinent dogs.

The dog must not be left unattended in the cottage at any time.

If you wish to bring the dog it must accompany you at all times and please be aware that many Cornish Beaches are NO Dog zones Easter -October. The dog MUST be taken OUT of the garden to a field to perform its toilets, we will advise where to go, any evidence of mess in the garden will result in the damage deposit being withheld.

If we consider the dog to be causing a nuisance to other visitors ,barking or otherwise, you will have to make other local arrangements and we reserve the right to curtail the holiday with no refund of monies if this is the case.

On Departure Day we will need to have access to the cottage before 9.30 am rather than 10am as we will need extra cleaning time and to have the option to have carpets professionally cleaned before the next arrival later that day.
